

BASKET – how do we do it?

Workshops – defining the project content

Group 1:

Helen, Tomas, Maria, Marit

Group 2:

David, Monika, Bernhard, Lis

Group 3:

Mikal, Simona, Zoltan, Randi

Workshop 1

The situation in professional development of basic skills teachers in partner countries

discussion: what is interesting to look into and map?

- 15 minutes in groups
- write on flip over
- presentation in plenary
- discussion on results in plenary

Workshop 2

Identify successful and transferable pedagogical issues, didactical models and tools in training of basic skills teacher

discussion: what do we understand by these terms – *pedagogical issues, didactical models and tools in training of basic skills teachers*

- 15 minutes in groups
- write on flip over
- presentation in plenary
- discussion on results in plenary

Workshop 3

Look at how the professional development of teachers are implemented (and identify strengths and weaknesses of these processes)

discussion: how do we understand these issues?

how to motivate teachers to specialize in adult basic skills

how the training is financed

what flexibility there is in the delivery of training especially when it comes to continuous professional development

- 15 minutes in groups
- write on flip over
- presentation in plenary
- discussion on results in plenary
